Rail Vision to Participate at The LD Micro Main Event XVII

October 15, 2024

Presentation on Wednesday, October 30th at 10:30 PM PT

Ra'anana, Israel, Oct. 15, 2024 (GLOBE NEWSWIRE) -- Rail Vision Ltd. (Nasdaq: RVSN) (the "Company"), a technology company at the forefront of revolutionizing railway safety and the data-related market, today announced that it will present at the LD Micro Main Event XVII, which will be held at the Luxe Sunset Boulevard Hotel in Los Angeles, California, from October 28-30, 2024.

Shahar Hania, CEO of Rail Vision, is scheduled to present on Wednesday, October 30, at 10:30 AM PST. During the presentation, Hania will provide an overview of the company's cutting-edge solutions that enhance railway safety and efficiency, as well as recent milestones and strategic growth initiatives.

Investors and attendees will have the opportunity to meet with the Rail Vision team throughout the conference.

Rail Vision will present its latest achievements and the rollout of our product in recent leading projects. The unique solutions of the Company include its industry-leading railway safety technology powered by AI and machine vision, enabling early detection of obstacles and risks on the tracks, thus reducing accidents and enhancing operational efficiency.

Event: LD Micro Main Event XVII
Date: Wednesday, October 30th
Time: 10:30 PM PT

About Rail Vision Ltd.

Rail Vision is a technology company that is seeking to revolutionize railway safety and the data-related market. The Company has developed cutting-edge, artificial intelligence-based, industry-leading technology specifically designed for railways. The Company has developed its railway detection and systems to save lives, increase efficiency, and dramatically reduce expenses for the railway operators. Rail Vision believes that its technology will significantly increase railway safety around the world, while creating significant benefits and adding value to everyone who relies on the train ecosystem: from passengers using trains for transportation to companies that use railways to deliver goods and services. In addition, the company believes that its technology has the potential to advance the revolutionary concept of autonomous trains into a practical reality. Forward-Looking Statements

This press release contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act and other securities laws. Words such as "expects," "anticipates," "intends," "plans," "believes," "seeks," "estimates" and similar expressions or variations of such words are intended to identify forward-looking statements. Forward-looking statements are not historical facts, and are based upon management's current expectations, beliefs and projections, many of which, by their nature, are inherently uncertain. Such expectations, beliefs and projections are expressed in good faith. However, there can be no assurance that management's expectations, beliefs and projections will be achieved, and actual results may differ materially from what is expressed in or indicated by the forward-looking statements. Forward-looking statements are subject to risks and uncertainties that could cause actual performance or results to differ materially from those expressed in the forward-looking statements. For a more detailed description of the risks and uncertainties affecting the Company, reference is made to the Company's reports filed from time to time with the Securities and Exchange Commission ("SEC"), including, but not limited to, the risks detailed in the Company's annual report on Form 20-F filed with the SEC on March 28, 2024. Forward-looking statements speak only as of the date the statements are made. The Company assumes no obligation to update forward-looking statements to reflect actual results, subsequent events or circumstances, changes in assumptions or changes in other factors affecting forward-looking information except to the extent required by applicable securities laws. If the Company does update one or more forward-looking statements, no inference should be drawn that the Company will make additional updates with respect thereto or with respect to other forward-looking statements. References and links to websites have been provided as a convenience, and the information contained on such websites is not incorporated by reference into this press release. Rail Vision is not responsible for the contents of third-party websites.
